

Welcome to the Advanced Bionics monthly eNewsletter. Our goal is to provide our recipients, professionals, and those new to cochlear implants with an email update on the latest information regarding events, education, products, and services from AB.

WIRELESS CONNECTIONS

Only AB offers the T-Mic™ Microphone for improved listening and access to wireless connectivity. The natural placement of the T-Mic lets you connect to the most popular telephones, MP3 players, and other audio devices used daily by those with normal hearing. [Click here](#) to Learn more about these unique features and more!

THE LATEST NEWS FROM THE BIONIC EAR ASSOCIATION (BEA) Online Connections Provide a Community of Support

Whether you are in need of information, support or resources about hearing loss and cochlear implants, you can find it at HearingJourney.com. This all-inclusive online community offers something for everyone! At HearingJourney.com you will discover personal connections, education and guidance no matter where you are in your journey to hearing. Enjoy the benefits of joining this online community by connecting now!

CHECK OUT NEW ACTIVITIES FOR ALL AGES IN THE LISTENING ROOM

Are you looking for activities to support your or your child's journey to better hearing? Then come and explore this month's new features posted in The Listening Room™, our exclusive online listening resource. Adults can learn strategies to improve listening skills, particularly in real-world environments. For children, our monthly theme is "On the Farm." Visit The Listening Room [now!](#)
