

BIONIC EAR SERVICE AGREEMENT ENROLLMENT FORM (US)

Please complete the Bionic Ear Service Agreement Enrollment Form ("Enrollment Form") and fax or mail it to us in the enclosed envelope. The warranty extension requested in this Enrollment Form will extend the limited warranty coverage for your sound processors and headpieces (excluding batteries, earhooks, and cables) from the date of expiration of your current warranty or service contract and will last for one (1) year. You have sixty (60) days from the expiration date of your current warranty or service contract to submit this Enrollment Form. Please select your choices below (all prices are in U.S. Dollars), including your choice for payment option and the number of systems you would like to cover. If your insurance policy covers Durable Medical Equipment (DME) repair or replacement if damaged, you will not need this coverage. In the US, Medicare, some Medicaid programs, and Kaiser Permanente cover a Sound Processor's repair and/or replacement and a headpiece's replacement. If you are a Medicare recipient, please review the disclosure in the first paragraph of the Service Agreement Terms and Conditions prior to enrolling.
